

Hello Novice Parents

I would like to welcome you to Novice Stittsville Minor Hockey. I am Ryan Goodwin and will be the convener of Novice this year. I will be working with Angelo Miceli, Director Hockey Development who heads up both Novice and IP divisions.

Our first conditioning sessions will begin September 2nd, and details of all the ice times will be listed at the end. We will also be posting this on the SMHA website shortly (stittsvilleminorhockey.com). Please check regularly over the next while as it is easier to post information there than send 400 emails. There is an **Ice Time Icon** on the top of the web page, from there select Novice Ice.

Please note that due to ice constraints and the complexity of the conditioning and evaluation process we are unable to change time slots for any player.

Any player that wishes to try out for goalie MUST attend both goalie and player conditioning and evaluation sessions. We will not have goalie gear so please make sure you have gear ready.

The conditioning sessions will not only allow the kids to get back on the ice but also allows them practice the same drills as the evaluation sessions. After the conditioning sessions the evaluation process will begin and your child will be evaluated and placed on a team/division that best matches their skills and abilities, evaluations will begin on Saturday September 18th. Over the next few weeks coaches are being interviewed and selected and will contact the players after the evaluation process is complete.

As always we are actively recruiting volunteers for the upcoming season. We are still looking of coaches, assistant coaches, on ice helpers, trainers and managers. If you have not already, please let us know you're interested in helping. We will contact all volunteers within the week providing more details and accreditation requirements. On ice helpers for the conditioning and evaluation sessions are still needed as well.

For the families new to hockey this year and maybe not sure of the equipment requirements, there is a detailed list on the SMHA website under the **Parents Info Icon** across the top of the web page.

If someone you know has not received this email please forward it to them and copy us so we may update our mailing list.

I look forward to seeing the many familiar faces at the rink again and of course meeting the new ones. Feel free to contact me if you have any questions or concerns.

Let this be the start to a great year!!

Ryan
